

The Pushor Mitchell United Way Day of Caring® is...

A unique opportunity for your workplace or group to support a local non-profit organization by completing a project that they might otherwise not have the time or resources to complete.

A Day of Caring can be...

Life-changing – your participation will help strengthen a network of social programs, services and partnerships that have a direct impact on the lives of one in three Okanagan residents every year.

Meaningful – for workplaces that participate in United Way campaigns, it's amazing to see the impact of your donations firsthand.

Hands-on - it's a unique volunteer experience that gives employees a chance to work together in new ways and feel more connected to our community. A great team-building exercise!

Informative – learn more about our communities biggest challenges and how we can work together to address root causes and find permanent solutions to social issues.

Day of Caring projects...

- Are available year-round and arranged in the order requests are received. United Way organizes a Spring Day of Caring once per year where multiple teams participate or custom Days of Caring to suit your teams schedule.
- Usually take anywhere from 2 to 4 weeks to plan; larger, more complex projects may require more time.
- Average one full or one half-day in duration.
- Vary, depending on current needs at the time of your request.

Typical Day of Caring tasks:

- Help a non-profit agency with spring/fall cleaning or yard work
- Sort donations of clothing, food, furniture or household goods
- Prepare resource kits or hampers
