

**Turn your passion for technology into something bigger, maybe even a career!**

Bootcamps are a combination of basic technology theory and hands-on experience in a fun and casual environment. Start your journey with one (or more!) of our digital boot camps.

### **Nov 7/8 Behind the Video Game**

Spend time creating games that you love playing!

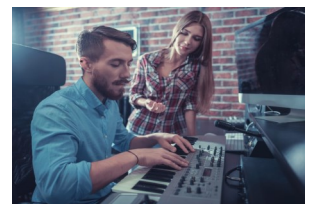

### **Nov 14/15 Be Creative in 3D**

Create your ideas into something you can actually touch.

### **Nov 21/22 Mix it like a DJ**

Love listening to music? Be part of the creation process!

### **Nov 28/29 Discover Mechatronics**

Mech-a-what? The engineering field you didn't know existed.

Bootcamps are 4-7pm at Okanagan College

**Register for one or all at [www.codeanagan.com](http://www.codeanagan.com)**
